Dear Ms. Grainger:

This letter is in response to your Request for Additional information dated December 7, 2014 concerning apparent excessive and incorrectly designated contributions on the Committee's 2014 October Quarterly Report.

A review of the matter shows that due to a clerical error the contributions from the individuals listed in your letter were incorrectly designed to the convention 2014 when in fact they should have been designated to the general election in 2014. An amendment to the report has been filed to correct this error.

With respect to the contributions from the American Health Care Association PAC, it has been determined that the PAC gave an excessive amount to the committee for the 2014 general election. The committee's next report will show a refund of the excessive amount.

Please be in touch should you have any further concerns on this or any other matter.

Sincerely,

Tim Poloski
Treasurer
